ANJALI
SHARMA

SOFTWARE DEVELOPER AND WEB DEVELOPER

I am a dedicated developer with experience in creating websites and software that are efficient, easy to use, and look great. I have good knowledge of programming and design tools and work hard to solve problems and build things that meet users' needs. I enjoy working with teams and learning new technologies to improve my skills and deliver quality work.

EXPERIENCE

2024 - present

OASIS INFOBYTE

Frontend Developer

During the internship, I learned how to create responsive and user-friendly websites. I worked on coding, fixing errors, and improving web pages to make them better. I also got a chance to use different tools and technologies while working with a team to complete projects on time.
